WATCH OUR NEW VIDEO "HOME IS EVERYTHING"

Anawim Housing is pleased to announce the reveal of a brand new video that was created for us by local videographer Locker & Company. This short video beautifully captures and displays Anawim Housing's message that "Home is Everything".

In the video, we touch on several of the most important aspects that make up what Anawim Housing is- our people, our services, and our properties. The video is currently available on our website under the "Give Here" section.
