THAT'S A WRAP!

On September 23rd, Anawim Housing partnered with Housby to renovate our third and final playground of the summer! Volunteers spent the day revitalizing our playground at 1635 6th Ave, behind The Maine apartments. Generous funding for new playground equipment at all three playgrounds came from Variety - The Children's Charity!

DMARC MOBILE FOOD PANTRY

Anawim Housing's Erin Valerio-Garsow worked with DMARC to bring our first mobile food pantry to Baker Creek Senior apartments on September 23rd. The pantry was met with smiles and gratitude by all who attended! Erin first reached out to DMARC after having a tenant approach her about her concerns with hunger not only for herself, but for people in her community. After Erin's conversation with DMARC, they decided to make Baker Creek Senior apartments a new mobile site.

The pantry will continue to arrive every other Friday from 9:30am-11:30am and is expected to be a great success. Click to learn more about this effort and how you can get involved.

VOLUNTEER DAY WITH HABITAT

On September 14th, Anawim Housing staff members spent an afternoon volunteering with Habitat for Humanity on one of their Rock the Block housing projects. This was a unique and great opportunity for us to give back to an organization that helps others achieve the dream of home ownership. We thank the skilled Habitat team for their training and assistance, and look forward to making this an annual event for Anawim!
