GROUNDBREAKING AT BRICKSTONES

On October 6th, Anawim Housing broke ground on our 30-unit senior housing development: Brickstones At Riverbend! This project was awarded tax credit funding from Iowa Finance Authority in March of this year. It was an exciting day for Anawim and the community. Located at 518 Forest Ave, the site was an empty lot and will undergo construction later this fall with an anticipated completion of early summer 2017.

THIS IS MY STORY

Anawim Housing is featuring the beautiful success story of one of our past program tenants. She came to Anawim from homelessness, and during her time with us, she gained the support system she needed and found inner strength. What she was able to do after finding her footing again is remarkable.
