PODCAST SERIES: HOME IS EVERYTHING

Anawim has exciting news! We have started a podcast called our *Home Is Everything Podcast*. In this ongoing series, we will be discussing several facets of the work Anawim Housing does in our community - from affordable housing, to permanent supportive housing.

In our first episode, Russ Frazier speaks with special guest Jeremy Orcutt, Anawim Program Manager, about our Permanent Supportive Housing Programs. Jeremy shares firsthand accounts of the emotional impact and positive effects he has witnessed in his own clients who came to Anawim from homelessness.

Subscribe to our podcast on our website and be sure to follow us on social media for updates when new episodes have been released.
